Hiking opportunities include climbing up to Scouts Lookout with views of Angels Landing, a longer hike through Zion Canyon Narrows or, for those that prefer easy walking while still enjoying the towering cliffs of Zion, try the flat Pa'rus Trail. Easier hikes include the Emerald Pools Trail or the Riverside Walk, each taking around two hours to complete

Hike to Mesa Arch, located within Canyonlands National Park, for an up-close view of one of the most photographed arches in the Southwestern US. Visit an Ancestral Pueblo Granary. Explore the Grand Viewpoint and hike along the rim of the Island in the Sky. A scenic drive/hike along the Colorado River showcases ancient petroglyphs depicting animals, humans, and geometric patterns carved onto red-rock walls.

Day 3

Continue trekking through Arches National Park on a hike to Landscape Arch, one of the longest natural arches in the world. Visit the Windows Section and Double Arch. Continue your journey on to Goblin Valley State Park with yet more unusual rock formations just outside of Capitol Reef. Then, hike to the Hickman Bridge, a 133-foot natural bridge, or go down to the Grand Wash to explore Capitol Reef National Park's deep canyons and narrows.
