NOT YOUR CLASSIC FAIRY-TALE

Into The Woods, a twisted fairy-tale mash up, takes place in today's world. The Phoenix Theatre Company's production of the musical takes familiar fairy-tale characters like Cinderella and Little Red Riding Hood on a journey, but with unexpected results. Come along and learn, with the characters, about wishes, family and the choices we make.

Enjoy dinner at The Stockyards Steakhouse, a landmark restaurant since 1947. Known for it's 'casual western elegance' and it's hand-cut, aged steaks, dinner at The Stockyards is always a great experience!
