PALM SPRINGS GETAWAY

ITINERARY

day

1

Today we head towards sunny California. When we arrive, it's straight to the top of Mt. San Jacinto! The Palm Springs Aerial Tramway is home to the world's largest rotating tram car. Watch the scenery change as you travel over 2 ½ miles along the cliffs of Chino Canyon. Soak in the breathtaking view and the cool mountain air while enjoying lunch at the top.

After checking into your hotel, take a walk to Palm Canyon Drive to experience the Palm Springs Village Fest, a lively pedestrian street fair that features arts, crafts, food, and entertainment. Enjoy dinner on your own at Village Fest, or one of the many diverse restaurants downtown.

2

Enjoy breakfast at the hotel before a visit to the Palm Spring Windmill Farm. See these giant turbines up close and learn how wind, solar, and battery storage work together to power the Coachella Valley. *Be sure to dress appropriately for the weather and high winds; wear close-toed shoes and secure your hat and belongings.*

The afternoon is yours to discover Palm Springs! Take time to stroll through the shops and galleries downtown or visit the Palm Springs Art Museum or the Agua Caliente Casino.

This evening, step back to yesteryear during dinner at Billy Reed's Palm Springs. This old school gem is a throwback to when hospitality was an art form and has been a Palm Springs landmark since 1975.

3

After breakfast at the hotel, enjoy a guided tour of the Living Desert Zoo and Gardens. This top-rated zoo and botanical garden spans more than 1,200 acres and showcases more than 450 animals from the world's arid regions. Areas include the Rhino Savanna, Australian Adventures, African Safari & Giraffes, and more than 50 immersive gardens representing deserts from around the world.

After your visit to the zoo, bid farewell to Palm Springs as we depart for our journey back to Phoenix.
