Day 1: Overnight flight to Italy to begin your Northern Italy journey.

Day 2: Arrive in Treviso, settle in, explore, and enjoy a welcome dinner with a tiramisu demonstration.

Day 3: Take a walking tour of Treviso's Old Town, followed by free time to explore markets, canals, and local cuisine.

Day 4: Enjoy a day trip to Verona with your choice of a guided walking tour, or time to explore on your own. See landmarks like Juliet's balcony and the famous Roman arena.

Day 5: Visit Asolo and take a guided tour of the village. Travel to the Prosecco region for a visit to a local vineyard for wine tasting and a hands-on pasta-making experience.

Day 6: Spend a day in Venice where you will see a glassblowing demonstration. Spend time around St. Mark's Square, and consider taking a gondola ride on Venice's famous canals.

Day 7: Travel to the world's most beautiful mountain range, the Dolomites, with scenic views and time in Cortina, including a cable-car ride to the top of Mount Faloria (weather permitting).

Day 8: Explore Bassano del Grappa and explore its cobblestoned piazzas. Visit a historic Venetian villa for a farewell dinner prepared with fresh local ingredients.

Day 9: Say *ciao, Italia* as you depart from Treviso.
