The Fantasticks:

Fall in love with one of theater's most beloved musicals, a charming boy-meets-girl story with an unexpected twist. When two parents stage a fake feud to bring their children together, their plan works—until love proves more complicated than they imagined. This beloved musical is filled with humor and romance!

After the show, continue the evening at **Phoenix City Grill**, a popular neighborhood restaurant known for its welcoming atmosphere and delicious American cuisine. Enjoy a three-course dinner featuring salad, entrée, and dessert, along with non-alcoholic beverages. A cash bar will be available.
