DAY 1

Travel south through the Sonoran Desert to Tubac, a historic village in southern Arizona. Spend the day browsing The Tubac Festival of the Arts, the longest running art festival in the state, showcasing more than 200 fine artists and craftsmen along the paths and plazas of The Village. Shop, eat, relax, and enjoy live entertainment.

From Tubac, head to Desert Diamond Hotel and Casino for a two night stay. Relax by the pool, or try your luck at the casino!

DAY 2

Venture to Bisbee, a mile-high historic mining town with a vibrant art and music scene. Tour the Copper Queen Mine, one of the richest copper mines in history. Ride 1,500 feet into the mine and see the equipment that was used for drilling, mucking and blasting. The guides, often retired miners, share stories and talk about the mining process.

Explore Bisbee's historic and quirky downtown area. Wander through the many art galleries and shops or visit the Bisbee Mining and Historical Museum. Stop in the beautiful Copper Queen Library, and venture up Brewery Gulch to St. Elmo Bar, the longest continually run bar in Arizona. Journey up some of the many staircases found throughout town and enjoy lunch at one of the delicious eateries.

On the way back to Desert Diamond, sample some wine at one of southern Arizona's premiere wineries in the Sonoita-Elgin AVA.

DAY 3

Enjoy DeGrazia Gallery in the Sun, a 10-acre Historic District in the foothills of the Santa Catalina Mountains. Celebrating the life and art of Ettore "Ted" DeGrazia, the property includes unique and beautiful grounds, and a variety of buildings set in a natural desert setting. The galleries contain six permanent collections and rotating exhibitions of artwork.
