# Wine Country Escape Itinerary

Day

Depart Phoenix for the rolling vineyards of Southern Arizona. Our first stop is in Elgin, where we'll enjoy an exclusive Sensory Wine Tasting experience at Twisted Union Wine Co. Your expert hosts will lead you through a small group tasting that includes aroma training and flavor exploration. Guests will also enjoy a behind-the-scenes winery tour and barrel sampling.

Afterward, journey to the legendary town of Tombstone, where you'll have time to explore and enjoy lunch on your own amid the Old West charm. Later, we'll continue to Willcox for a two-night stay at the Holiday Inn Express. This evening, gather with fellow travelers for dinner at the popular Double S Steakhouse.

After breakfast at the hotel, we'll continue exploring Arizona's wine country with a tasting at Bodega Pierce Winery, one of Willcox's unique award-winning wineries. Then, taste the flavors of the region during lunch and wine tasting at Territo Farm & Ranch Market, known for its welcoming atmosphere and locally inspired offerings. This evening, enjoy free time in downtown Willcox, where you can choose from local restaurants for dinner on your own.

Following breakfast, we'll stop at Apple Annie's Orchard Country Store. Browse the market to pick up some local apples and goodies before we begin our journey back to Phoenix, arriving mid-afternoon.
